

Terms and Conditions of the Áltima 2027 Social Projects Donation Call

1. Purpose of the Call

Áltima opens a call for applications addressed to non-profit organizations that wish to submit social projects eligible to receive a **€5,000 donation**.

The donation must be allocated to a specific project, preferably related to accompaniment, support for vulnerable individuals, care, health, end-of-life support, grief, or assistance to families in Catalonia.

Submitting a proposal does not, under any circumstances, imply an automatic right to receive the donation.

2. Eligible Organizations

Legally established non-profit organizations with proven activity and the capacity to carry out the proposed project during 2027 may apply.

If the project has other sources of funding or collaboration, these must be disclosed in the proposal. Projects that are fully or partially funded or sponsored by other companies in the funeral sector will not be accepted.

3. Submission of Proposals and Required Documentation

Interested organizations must submit their proposal through the web form enabled by Áltima at the following link:

www.altima-sfi.com/convocatoria-donacion-proyectos-sociales-2027

Applications must include the completed web form and an attached PDF file no larger than 5 MB, presenting the project information in a clear and concise manner.

The document must include the organization's basic information, a brief description of its activities, a description of the proposed project, objectives, beneficiaries, implementation schedule, project budget, any other sources of funding or collaboration, and the expected impact.

Regarding any additional funding or collaboration sources, applicants must take into account the provisions of Section 2 of these Terms and Conditions, which state that projects funded or sponsored, in whole or in part, by other companies in the funeral sector will not be accepted.

Documentation may be submitted in either Catalan or Spanish.

Áltima may request additional information if it considers it necessary to properly assess the proposal.

4. Submission Deadline

The deadline for submitting proposals is **Friday, November 13, 2026**.

Proposals received after this date may not be considered.

5. Evaluation and Decision

All proposals received will be evaluated by Áltima's Executive Committee, composed of the company's Chief Executive Officers.

The evaluation will consider criteria such as the project's social impact, feasibility, scope of beneficiaries, alignment with the objectives of the call, implementation schedule, adequacy of the budget, and, where applicable, the innovative nature of the proposal.

The final decision will be made by Áltima based on the established evaluation criteria and the approved budget availability. The decision will be final and not subject to appeal.

Áltima reserves the right to declare the call void if none of the submitted proposals meet the objectives or requirements established in these Terms and Conditions.

The selected organization will be notified directly.

6. Acceptance of the Donation and Supporting Documentation

The selected organization must formally accept the donation and provide Áltima with proof of receipt of the donation by the beneficiary organization, namely the corresponding donation certificate reflecting the donation amount, where applicable, within the legally established period under tax regulations.

7. Project Implementation and Reporting

The project must be implemented during 2027.

The beneficiary organization must submit, during the first quarter of 2028, a brief project report including the level of implementation, results achieved, impact generated, and basic justification of how the donation was used.

8. Use of Brand and Communications

Any public communication related to the donation or the project, including social media posts, press releases, corporate communications, or other dissemination activities, must be approved in advance by Áltima whenever its name, brand, or any institutional reference is included.

The beneficiary organization may not use Áltima's name, corporate identity, or brand without prior authorization.

9. Data Protection

The data provided within the framework of this call will be processed by Áltima for the purpose of managing participation, evaluating submitted proposals, communicating the decision, and, where applicable, processing the donation.

Such processing will be carried out in accordance with applicable personal data protection regulations and Áltima's Privacy Policy.

10. Acceptance of the Terms and Conditions

Submitting a proposal implies full acceptance of these Terms and Conditions by the participating organization.

Any matter not expressly covered by these Terms and Conditions shall be resolved by Áltima.

11. Amendment, Suspension, and Cancellation of the Call

ÁLTIMA reserves the right to amend, interpret, or supplement these Terms and Conditions whenever justified circumstances make this necessary, provided that such changes do not substantially alter the nature of the call or undermine the principles of transparency and equal treatment among participating organizations.

Likewise, ÁLTIMA may extend any deadlines established in the call, including the application submission deadline or any other deadlines set forth in these Terms and Conditions, whenever circumstances make

this advisable. Any extension will be communicated through the channels deemed appropriate by ÁLTIMA.

Similarly, ÁLTIMA may temporarily suspend or cancel the call, in whole or in part, due to force majeure, unforeseen circumstances, organizational, technical, legal, or other duly justified reasons that prevent or hinder its normal development. Such suspension or cancellation shall not give rise to any right to compensation or claims by participating organizations.

Any amendment, extension, suspension, or cancellation will be communicated through the same channels used to publicize the call or through any other means that ÁLTIMA considers appropriate to ensure that interested organizations are duly informed.
